

NERAI Maritime Weekly

The week's most consequential events, selected by strategic consequence and grounded in a 106-article 7-day corpus plus live NERAI data.

Grounded generation: events are selected only from the week's retrieved article corpus and NERAI feeds; every event carries its sources; each event states the date the issuing authority acted, which is distinct from the date any article about it was published; quantitative figures carry their observation period; maximum five events, fewer when the week is thin. NERAI-UNRESTRICTED.
